Hi Dan,

I am responding to your email below, dated January 25, 2018, regarding the proposed permit that was publicly noticed on EPA's website at <https://www.epa.gov/uic/underground-injection-control-permits-region-9>. Refer to the Statement of Basis in the related documents of the web site for a summary of the proposed project, brief description of the proposed permit conditions, and the basis for the permit conditions.

Your concerns and requests for information will be considered a public comment and EPA will respond to these comments after the public comment period closes. Please note that you may provide additional comments to me or provide comments during the public hearing in Dragoon, Arizona on February 27, 2018.

Thanks, Nancy

**Subject:** Gunnison Copper Mine

Hi Nancy,

I have recently purchased a home in Dragoon Arizona. I would like to know how this proposed mine effects my health and property value. I would like information on this type of mining. This area is very close to an area that is effected by fissures stemming from bad water management.

Thanks,

-Dan
